In the return of Purdue's Presidential Lecture Series, this timely event will address what is perhaps the most important issue facing our nation today — the fragmenting of American political culture. Former U.S. Speaker of the House Paul Ryan and former U.S. Sen. Heidi Heitkamp will join Purdue President Mitch Daniels for a virtual discussion on civil discourse and the state of our nation's democracy. The Purdue University Political Discourse Club conceived and co-sponsored the event.
